

Kansas Lifeline Service Program

Self-Certification Form for Income Eligibility

The Kansas Lifeline Service Program (KLSP) is a telephone assistance plan, which provides eligible residential telephone service customers with a reduction in the price of basic local service. The KLSP is designed to promote the provision of universal service by local exchange carriers to persons with low income, and shall be targeted to maintain affordable rates for residential local exchange service.

Eligible customers receive a reduction per month from their local exchange telephone service as follows:

Basic local service of \$12.00 plus a credit equal to the Federal End User Line Charge of \$6.50, and waiver of the FUSC surcharge. Additional calling features are not eligible for the discount. The Kansas Lifeline Service Program is limited to one discount per residence.

The Kansas Lifeline Service Program (KLSP) includes income-based eligibility criteria. These criteria are based on the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services (HHS) under authority of 42 U.S.C. § 9902(2). For KLSP eligibility, a customer's household income must be below 150% of the federal poverty guidelines published yearly by HHS. Customers eligible under the KLSP criteria, set out below, are required to self-certify such eligibility. The KLSP income-based eligibility criteria are as follows:
